CARITAS sincerely thank you for your support in 2010. We recently caught up with Samon in Cambodia (Project Compassion 2010) – he is gaining weight, healthier and has more confidence and this yr is taking exams for secondary school. 'I would like to tell the Australian people that his family's situation has improved a lot. I can go to school and have school materials to study' Samon said. May your Christmas be filled with light, hope and peace.
