AUSTRALIAN BISHOPS' PILGRIMAGE

Cath News

Australia's Catholic bishops have arrived in Italy for the *Ad Limina Apostolorum* (to the Threshold of the Apostles) visit. Typically held every five years, the visit sees active Australian bishops celebrate Mass at the four papal basilicas, including those dedicated to Saints Peter and Paul, meet and pray with the Pope and hold conversations with officials from the various agencies of the Holy See. Due to delays in the rotation for other episcopal conferences, this will be the Australian bishops' first visit in Pope Francis' six-year pontificate. "We are very much looking forward to hearing from and speaking with Pope Francis," Archbishop Mark Coleridge said. "For many of the bishops, this will be their first meeting with Pope Francis. It's an important opportunity to reflect on the apostolic witness of St Peter and St Paul, and to enter into pastoral dialogue with the Holy Father, the successor of Peter." Among the topics to be discussed in the Vatican will be the Church's ongoing response to the recommendations of the Royal Commission into Institutional Responses to Child Sexual Abuse, the preparations for the Plenary Council and the Church's changing profile in Australian society and what this means in areas like health care, education and social welfare. "The visit is a time for us to celebrate our communion with the Pope despite the separation of distance. It's also a time for us to learn from those who serve in the offices of the Holy See and for them to learn from us," Archbishop Coleridge said. "We will also pray for our people at the tombs of the apostles, and I ask the Catholic people of Australia to pray for the bishops as we enter into this pilgrimage of faith." This week the bishops are on retreat, as part of their journey of the Plenary Council. They will reflect deeply on the meaning of discernment and will reflect upon the Council's six National Themes for Discernment, which were announced at Pentecost.

PLANNED GIVING

Thank you to all Parishioners who have generously supported the Parish of St Joseph's Subiaco during the 2018/19 financial year. Special thanks to those who give through the use of the weekly Planned Giving Envelopes or via Direct Debit. This regular income allows the Parish to ensure the smooth provision of services, to plan Parish pastoral programs and meet our commitments. As there a number of new parishioners worshipping with us, we invite you to please consider participating in either of these Planned Giving options by completing a Parish Registration Form (available in the Church entrances or in the Office) or contacting the Parish Office by email enquiries@stjosephssubiaco.org.au or lbrandon@stjosephssubiaco.org.au. Envelopes for the new financial year are available in the Church foyer this weekend.

PARISH REGISTRATION

Thank you to the many parishioners who completed a form or updated their details at this time last year. If your details have recently changed or you have not completed a **Parish Registration Form** in the last twelve months, please collect a form (available in the Church foyer) and return in person to the Parish Office, via email to enquiries@stjosephssubiaco.org.au or place in the collection basket. This will enable us to include you in relevant aspects of Parish Life. Thank you for your assistance.

This session 'Attentiveness' Each and every day God appears to us in ways so plain and ordinary that we often miss God's presence. It is often only after we reflect back that we see God reaching out to us in the ordinary encounters of the day. This reflection looks at the ways God is present to us in our daily encounters. The God with skin is a deeply personal God involved in the nooks and crannies of our lives. Please RSVP to enquiries@stjosephssubiaco.org.au or call 9381 0400.

THE CAMINO VOYAGE

6.30pm, Wednesday 24 July, Windsor Cinema, Nedlands

Presented by Demand Film, this is about an inspiring and dangerous 2,500km modern day Celtic odyssey voyage from Ireland to Northern Spain, with a crew including a writer, two musicians, an artist and a stonemason who embarked on the Camino by Sea in a traditional boat they built themselves. Pulling into coastal towns and villages en route, camping and cooking along the way - this eclectic crew forged many new friendships; surprising those they met with a boat that seemed to come straight out of the middle-ages. This tiny boat against the backdrop of the vast ocean struck a chord in people's imagination all the way along the voyage. Tickets are available at tickets.demand.film/event/7932.
