Caritas AUSTRALIA PROJECT COMPASSION *Michaela is a 21-year-old trainee at Purple House, a dialysis centre in the Central Desert for people suffering from kidney disease. The Aboriginal-controlled service gives patients the opportunity to stay connected with their culture. They do this through traditional healing practices and income-generating activities, such as making bush balms and soaps. With the support of Caritas partners, Michaela is helping to build a social enterprise, a connection to culture and a new outlook for the chronically ill.*

Please donate to Project Compassion 2019 and help provide essential health care, employment and training for First Australians like Michaela. Lives change when we all give 100%. Donate through Parish boxes or envelopes, by phone on 1800 024 413 or by visiting caritas.org.au/projectcompassion.

SLAVERY FREE EASTER

Pope Francis said, "Every person ought to have the awareness that purchasing is always a moral – and not simply an economic – act." It is estimated that up to 40 million people are trapped in slavery globally – 1 in 4 of these are children who will never get an education and never taste the chocolate produced from the cocoa beans they pick. To buy slavery free Easter chocolate look for any of the three certification symbols shown here. Encourage those around you to only eat slavery free chocolate.
