

**Plenary Council 2020
St Joseph's Parish Subiaco**

The 'small Church' need not wait for the 'hierarchy' to implement reform because we ourselves can initiate change to our local parish and community, knowing what needs to be changed [Plenary Listening & Dialogue Group 1].

How can we support one another to become a caring/Christ-like community that is guided by the spirit with strong Faith, Hope and Charity? [Plenary Listening & Dialogue Group 2].

St Joseph's Subiaco: Building locally on our *Listening & Dialogue* for 2019

The 12 *Listening and Dialogue* sessions that have been held within our parish throughout October and November of 2018 have offered opportunities for parishioners from our parish to deepen their relationships, build new connections and to begin the discernment process for the upcoming Plenary Council in 2020. As a result of these *Listening and Dialogue* sessions, a number of themes have emerged which we at a local level can begin to consider for implementation in advance of the Plenary Council in 2020.

We are all invited to be involved

You are invited to offer five key areas of priority that you believe we as a parish can begin to implement in 2019 at a local level, to capture some of the emerging needs of our parish which have been prayerfully discerned as part of the *Listening and Dialogue* sessions. These would be areas that do not require the formal approval of the Plenary Council, nor any changes to official Church teaching and doctrine. Areas may include *Youth Ministry and Youth Engagement, Social Justice and Outreach Opportunities, Parish-based Formation and Spirituality programs etc.*

Name: _____

Priority Area #1: _____

Priority Area #2: _____

Priority Area #3: _____

Priority Area #4: _____

Priority Area #5: _____

Please outline how you would be prepared to practically support one or more of the areas above which you have suggested as priorities for our parish in 2019.

Please return this completed sheet by **Tuesday 1 January 2019** to the Parish Office, or via email to: enquiries@stjosephssubiaco.org.au

Thank you for your continued interest and practical support for building action-oriented next steps locally at St Joseph's, Subiaco in 2019.
