

It is no longer essential to book-in before attending Mass at St Joseph's.

However, please remember that

both State Government and Archdiocesan directives require that **social-distancing rules and anti-bacterial cleansing** guidelines remain in place, which means.....

- we still need to sit in the pews marked with **GREEN CIRCLES**
- we **NEED TO SANITISE** the areas we've been sitting in before leaving the church;
- at all times, leave a **REASONABLE DISTANCE** between yourself and other persons;
- we need to take our **BULLETINS HOME** – or bin them
- we need to put our **regular contribution IN THE BOXES** at the door as we still can not have a collection, yet parish commitments continue on
