Misinformation – Word has come to the parish from a number of sources to indicate that if the Parish can develop east of the Church so can the S.R.A. to the west

Our medical centre is being developed **40 meters from the east wall of the Church.** And we would have no problems with a development equi distant (40 meters) to the west, allowing for a green space.

A letter with the ‘truth’ was sent to the following :- Archbishop, G. Russo, Mayor of Subiaco, SRA – T. Morgan, S.R.A. Chair B. Griffiths, Bill Marmion MLA, J. Day MLA, I. Patterson and Neil Thompson Chief of Staff.

A further letter has been sent to the Premier of Western Australia asking for an intervention with the intransigent S.R.A.
