**TAFE SITE - On Wed 18 March we received a phone call from an Ian Paterson on behalf of the Minister indicating that he had signed off on the TAFE Site. Three large scale buildings are to be constructed incorporating 161 flats. This will adversely affect light, ventilation, noise and heritage ambiance of our Church.**

**One must draw a conclusion that the S.R.A. are purely in this development for the short term financial gain, and are not interested in taking into account the voice of the community, the parishioners or the City of Subiaco.**

**The Minister refused to meet with Fr Joe.**

**PARKING – on the TAFE Site will terminate in two weeks.**

**ST PATRICK'S DAY** – The Mass and morning tea afterwards were a great success. We appreciate all the effort put in by Chris, the Parish Council, and Kath O'Brien. Next year we will have better facilities on our piazza to entertain our guests.

**New Parish offices** – The final touches (paint, wall paper, lighting details ) are being applied to the Parish facilities. We are hoping the Fire Authority will issue a Licence next week, and then a certificate of completion will be presented, only then can we transfer the phones and computers and start he transfer. It has been a long and dusty project and we offer our sincere thanks to all who were involved from the initial concept to completion.

**Landscape** We have signed off on the revised landscape plans. This project will enhance the Church and Presbytery precinct, directly in front of the new offices. We will replace the existing concrete path.

**Camino Pilgrimage** - We had a marvellous turn out to the last meeting to take forward our Pilgrimage concept – St Joseph's Subiaco to New Norcia. A number of people have been delegated to reconnoitre aspects of the route, another to look at the Pilgrim Meals, another to come up with a 'passport'. Next meeting - 3.00pm 5 April

**Art Prize** – At its last meeting the Parish Pastoral Council endorsed the concept of '**St Joseph's Parish Art Prize**'. Currently twenty Artists are being selected and a brief is being prepared.

**Dom Salvado Statue** – As one of the conditions of building our medical centre – the City of Subiaco require us to commission a statue of Dom Salvado. Various artists have been engaged and this coming week one artist will be selected for this bronze life style statue to be placed adjacent to the medical centre. The statue is to be installed in late October 2009.

**Hot Cross Buns** – will be available to purchase again this year from Palm Sunday – Fundraising for the Youth.
