St Joseph's has a growing and vibrant Youth program started at the end of 2008.

The youth program is a new initiative that aims to minister to youth enabling young people to become happy, healthy and holy adults. This includes development and education of youth and leaders in a holistic manner with the aim of feeding back into the community creating a positive 'ripple effect' of change. To date the focus has been on young people between the ages of 17 and 35 years. Further into the year this will expand to include teens and hopefully kids.

The St Joseph's Youth Group Young Adults meets regularly after the Sunday 6pm Youth Mass at Dome Café in Subiaco. If you are able to attend the Youth mass this Sunday this would be a great way for you to meet the youth group on a social basis. Typically we meet around 6.45pm outside St Josephs and make our way to the Dome from there.

Boost is an opportunity for you to kickstart your journey towards a deeper understanding of your faith. It is a program for Young Adults held most Wednesday evenings at 6.30pm right here in Subiaco. These sessions combine talks from experts on a broad range of topics covering youth issues, discussions and awesome movies.
