Planned Giving – 2009/2010 During this time of year, in all parishes across Perth, the parish budgets will be addressed. There will be a planned giving presentation at all masses next weekend and Parish Commitment cards will be handed out. These cards outline the parish expenses and specifically address where the budgeted monies go.- please take a few moments to read through the parish expenditure budget; this may assist in helping you to decide on your level of commitment. I would also like to take this opportunity of thanking everyone for their ongoing support and generosity and financial contributions towards the running costs of St Joseph's.
